Home office in Stuart, FL, serving Fort Pierce, Palm Beach, Pompano, Fort Lauderdale, Miami, the Caribbean and Central America. 1,100+ surveys completed; written reports within 36 hours of inspection.

About this guide

This is TB Marine Surveyors' quick reference to the boatyards, yacht insurance providers and engine service dealers we deal with most from Fort Pierce south to Miami. Use it to pick a yard for a survey haul-out, steer a buyer toward an insurer, or line up a mechanic for an engine survey.

Phone numbers, contacts, lift sizes and yard policies change often. Call ahead before sending a client or booking a haul. Entries marked "confirm" could not be verified from public sources.

Boatyards and haul-out marinas by county

Every facility below can haul a boat (travel lift, crane or forklift), listed county by county from north to south. Full addresses and points of contact are in TB's county haul-out sheets.

Derecktor (Dania & Fort Pierce)	Dania Beach / Fort Pierce	No – project-managed	Yes, with project manager approval and liability insurance
GB Marine Group	Stuart	No	Yes, for a fee and proof of insurance
Indiantown Marine Center	Indiantown	No	Licensed contractors only
Jones Boat Yard	Miami River	No	Limited – mostly in-house

Yacht and boat insurance providers

For large yachts and superyachts, go to a specialist broker. For trailer boats and small to mid-size cruisers, a local agency or a national carrier is usually enough. Chubb, Progressive and State Farm sell only through agents, so each is listed with a local agent.
